

Bathroom Remodeling Checklist

Preparation Phase

- Set Your Budget**
- Decide on the total amount you are willing to spend.
- Allocate funds for materials, labor, and unexpected expenses.
- Define Your Goals**
- Decide if the remodel is cosmetic or structural.
- Identify features you want to upgrade (e.g., shower, tub, sink).
- Measure Your Space**
- Take accurate measurements of the bathroom.
- Note dimensions for fixtures, doorways, and floor space.
- Research and Plan Design**
- Choose a color palette and design style.
- Select materials and finishes.
- Create a layout plan, including fixture placement.
- Check Building Codes**
- Verify local building regulations.
- Obtain necessary permits if required.
